

Wednesday League

League Tennis is a great way to hone your competitive skills, on-court strategies and adaptability to varied styles of play. This league is specifically set up to rotate often and enjoy playing against several different players each week.

We are playing a rotating doubles format, where the winners move up and split sides while the losers move down and split up as well, three to four times per day. This allows a good mix of everyone playing new opponents.

Bill Chadbourne will administer the league, collect scores and issue starting schedules. You can contact him at bill.chadbourne@yahoo.com. Sign up at East Potomac Tennis Center by Tuesday, January 3rd 2012. **NEW TENNIS BALLS PROVIDED WEEKLY**

By signing up for the session you save money and are guaranteed a spot. Drop-ins are not guaranteed and must confirm via email with Bill in advance.
